TO: All Insurers Authorized to Transact Workers' Compensation in California

FROM: Katrina S. Hagen, Director, and Department of Industrial Relations

SUBJECT: Fiscal Year 2021/2022 Assessments:

• Workers' Compensation Administration Revolving Fund (WCARF)

• Uninsured Employers Benefits Trust Fund (UEBTF)

• Subsequent Injuries Benefits Trust Fund (SIBTF)

• Occupational Safety and Health Fund (OSHF)

• Labor Enforcement and Compliance Fund (LECF)

• Workers' Compensation Fraud Account (FRAUD)

Labor Code Sections 62.5 and 62.6 authorize the Department of Industrial Relations to assess employers for the costs of the administration of the workers' compensation, health and safety and labor standards enforcement programs. These assessments provide a stable funding source to the support operations of the courts, to ensure safe and healthy working conditions on the job, to ensure the enforcement of labor standards and requirements for workers' compensation coverage.

Labor Code Sections 62.5 and 62.6 require allocation of the six assessment types between insured and self-insured employers in proportion to payroll for the most recent year available. Enclosed with this letter is an invoice for assessments for your company's (or companies') share of the following total assessments, and a document showing the methodology used to compute the assessment amounts and the resulting determination of the respective assessment/surcharge factors. The factors are applied to the premium amount as described in the following sections of this letter.

Authority	Туре	Total Assessment for all Payers	2022 Factors Applied to Premium
Labor Code § 62.5	Workers' Compensation Administration Revolving Fund Assessment (WCARF)	\$562,924,500	0.019277
Labor Code § 62.5	Uninsured Employers Benefits Trust Fund Assessment (UEBTF)	\$52,692,900	0.001455
Labor Code § 62.5	Subsequent Injuries Benefits Trust Fund Assessment (SIBTF)	\$372,069,914	0.017451
Labor Code § 62.5	Occupational Safety and Health Fund Assessment (OSHF)	\$168,104,708	0.009177
Labor Code § 62.5	Labor Enforcement and Compliance Fund Assessment (LECF)	\$143,662,000	0.007102
Labor Code § 62.6	Workers' Compensation Fraud Account Assessment (FRAUD)	\$77,909,442	0.004856

The total assessment is calculated based on the direct workers' compensation premiums reported to the Department of Insurance for Calendar Year 2020 by you or your group of carriers. Your first installment is due on or before January 1, 2022, with the balance due on or before April 1, 2022.

Assessment Methodology for Single Carriers

If you were a single carrier and not part of an insurer group who reported data to the WCIRB on an individual company basis for 2020, your Total California Direct Written Premium for assessment purposes is the amount reported for calendar year 2020 to the WCIRB, which reflects the premiums charged to policyholders with the exception that it excludes the impact of deductible credits, retrospective rating adjustments, and policyholder dividends.

Assessment Methodology for Insurer Groups

If you were part of an insurer reporting group who reported data to the WCIRB for 2020, your Total California Direct Written Premium for assessment purposes has been determined as the product of (a) the total 2020 written premium reported to the WCIRB on the aforementioned basis and (b) the ratio of your company's 2020 California written premium as reported in the 2020 Statutory Annual Statement (these amounts include the effect of deductible credits and retrospective rating adjustments) to the total 2020 Statutory Annual Statement of California written premium reported for your insurer group as a whole.

HOW YOUR ASSESSMENT AMOUNTS WERE CALCULATED:

WCARF ASSESSMENT (Section 5.1 of attached Methodology):

(1.008681150* X 2020 Total California Direct Written Premium) X 0.019277

<u>UEBTF ASSESSMENT (Section 5.3 of attached Methodology):</u>

(1.008681150* X 2020 Total California Direct Written Premium) X 0.001455

SIBTF ASSESSMENT (Section 5.5 of attached Methodology):

(1.008681150* X 2020 Total California Direct Written Premium) X 0.017451

OSHF ASSESSMENT (Section 5.7 of attached Methodology):

(1.008681150* X 2020 Total California Direct Written Premium) X 0.009177

LECF ASSESSMENT (Section 5.9 of attached Methodology):

(1.008681150* X 2020 Total California Direct Written Premium) X 0.007102

FRAUD ASSESSMENT (Section 5.11 of attached Methodology):

(1.008681150* X 2020 Total California Direct Written Premium) X 0.004856

REQUIRED EMPLOYER ASSESSMENTS

All workers' compensation insurance policies you issue with an inception date during the calendar year 2022 must be assessed to recover amounts advanced on behalf of policyholders. Assessable Premium is the premium the insured is charged after all rating adjustments (experience rating, schedule rating, premium discounts, expense constants, etc.) except for adjustments resulting from the application of deductible plans, retrospective rating or the return of policyholder dividends.

The assessment factors to be applied to the estimated annual assessable premium for 2022 policies are shown in the table on the first page. These are the same factors that were used to calculate your attached assessment.

^{*} Ratio of the expected total 2021 premium to the 2020 Total Direct Written Premium of all insurers (\$14,100,000,000) ÷ (\$13,978,649,249) =1.008681150
